Windows 8 sucks - Home | Facebook Windows 8 sucks · January 16, 2014 · With Windows 8.1, never forget to save every minute, because you just don't know when it will crash and loose your work. Windows 8 Sucks - ITGuys When Windows 8 first came out, I liked it. It was different, it had cool features, the little tiles were adjustable and made for a cool looking system. I get what they were trying to do. Windows 8 Sucks - Slope of Hope Its sucks monkey balls. The interface is horrible and bewildering. I actually went out and paid for a program that makes the interface behave like Windows 7. To think that Microsoft is betting their future on this piece of whale dung is beyond all comprehension. Don't. Buy. Windows. 8.

Why Does Everyone Hate Windows 8? Should I Upgrade? Sincerely, Worried About Windows. Dear Worried, Windows 8 is getting a bad rap from a lot of people, but it really does have a lot of good stuff going for it. why does windows 8 suck so badly? - Spiceworks Community Windows 8 exists, you're going to have to adapt to it, just like your grandma had to relearn how computers worked when she discovered e-mail and Facebook on windows xp. If granny can do it, you can.
